Snedeker

Alan Snedeker serves as Assistant Director of Fire Safety for the IUPUI campus. Alan has a B.S. in Mechanical Engineering from Rose Hulman Institute of Technology and holds a professional engineering license in fire protection. E-mail Alan Snedeker at: asnedeke@iupui.edu

New Assistant Director of Fire Safety

I would like to introduce myself. I am Alan Snedeker, the new Assistant Director of Fire Safety. I began my new position September 1, 2011 (due to the retirement of Tom Hulse). Prior to that, I had been the Fire Protection Engineer at IUPUI since 2006.

My background is in mechanical engineering and fixed fire protection systems. I received my B.S. in Mechanical Engineering in 1987 from Rose Hulman Institute of Technology. After graduation, I started my career with Industrial Risk Insurers (IRI) as a Loss Prevention Consultant. I worked for IRI for 9 years doing mostly field surveys at their insured locations. After IRI I took a position with Pinkerton Security (now Securitas Inc) on the General Motors account. My title was "Fire Protection Specialist". I helped manage the fire protection activities at several GM and Delphi facilities. I also obtained my professional engineering license in fire protection during this time. In July of 2006 I came to work at IUPUI as the Fire Protection Engineer. I have enjoyed my time and experience on the campus so far and look forward to the challenges that lay ahead in my new position.

You can reach me at 317.274.0009 or via e-mail at asnedeke@iupui.edu.
